

From such humble beginnings, Innovative Services NW has grown to 16 programs now serving 1,100 children, adults, and families each week with more than 160 employees and an annual budget just under \$5 million. Our Core Purpose remains the same as it was in 1963:

To support each individual and maximize opportunities so they can reach their highest potential.

Despite his seizure disorder that makes his speech and walking regress, Jaxon is making progress one day at a time.

Families can be less stressed knowing skilled nursing is available for their loved ones during the Adult Day program.

The Pass/Padgett family could safely visit with their children in foster care as they worked toward reunification.

Chris, a youth aging out of foster care, can show-off the key to his new apartment.

Jahlil and Jazmyne are getting a Head Start on Kindergarten.

Clinton has a new job at New Seasons Market and he loves it!

Anna has graduated from using her walker to independent walking.

Despite her cerebral palsy, Tiffany is working in Group Supported Employment, learning job skills that will help her on her pathway to Individual Employment.
