

Speech Language Pathologist

Innovative Services NW — 9414 Northeast Fourth Plain Boulevard, Vancouver, WA

We are a 56-year-old non-profit that values our employees. We have a variety of programs including Early Learning, Pediatric Therapy and Employment Services. Innovative Services NW serves more than 1,600 adults, children, and families, many on a daily or weekly basis here in Clark County, Washington!

SUMMARY:

To implement a structured speech/language program to meet the developmental needs of program participants.

This position requires a division of time between clinic based therapy delivery and home based therapy delivery through early intervention.

ESSENTIAL FUNCTIONS:

Outpatient Clinic Services:

- Provide direct speech therapy services to clients as recommended and prescribed.
- Help families implement recommendations from child's physician and/or seek additional resources as needed.
- Perform speech and language evaluations for children birth – 21 years of age.
- Collect ongoing data through therapy sessions and adjust treatment plans as needed.
- Support parent's participation in therapy programs developed for their child through home based extension programs and coordination with outside providers as needed.
- Assisting families with referrals to specialists as needed for ongoing care of their child (e.g. hearing, tongue-tie etc.)
- Consult and plan treatment with onsite multi-disciplinary team (OT, PT, EIS, ABA) to ensure best practice in therapy delivery.
- Complete daily treatment notes and all evaluation reports in a timely and professional manner.
- Attend continuing education/workshops to enhance professional skills and maintain licensure and certification.

Early Intervention Services:

- Provide direct speech therapy to children birth-3 years old in their natural environment (home, daycare etc.)
- Educate and support the family in implementing strategies for successful communication in their activities of daily living
- Perform team based evaluations and make recommendations based on Early Intervention program requirements for services
- Work with Early Intervention team on ensuring compliance with state/federal programs and tracking progress as required by those programs

Speech Language Pathologist
